NEW MEMBERS

Once we receive your filled membership form, submitted either below or online, along with the payment, we will send a "Welcome" email. This message expresses our gratitude for joining the Pleasantville Chamber of Commerce and outlines various strategies to promote your business, including website features, networking events, advertising, newsletters, and social media presence. The email also requests your business logo and social media handles to enhance promotion and conveys our anticipation for your active participation in upcoming programs and events.

- **Before September 1st:** Members joining any time BEFORE September 1st will pay the annual membership dues for the calendar year in which they join and will then receive a notice to renew their dues the following year by March 1st.
- **After September 1st:** Members who join AFTER September 1st will pay the annual membership dues when they join and their dues will automatically renew the following year.

For example, if you join the Pleasantville Chamber of Commerce in August 2024, you will pay full dues in 2024 and again in 2025. If you join on September 2nd, 2024, you will pay full dues in 2024 and then not again until 2026.
