January 1, 2022

Dear Chamber Members and Members of the Business Community,

The Pleasantville Chamber of Commerce wishes you a happy and healthy New Year, with the promise of a bright and prosperous 2022!

2021 was supposed to be better! Unfortunately, it brought challenges that at times seemed impossible to overcome. Keeping our small businesses and organizations alive has been a tightrope walk I'm sure we all wish would come to an end today.

Right now feels like an especially hard time to feel optimistic but there are real signs to be encouraged by. The pandemic saw people move to this area like never before and with the expansion of residential living in the Village, coupled with the opportunity to work remotely the demand for local businesses and their services are predicted to surge!

With that good news in mind, the Chamber's new website couldn't have come at a better time. The website has a fresh new look, enhanced navigation, with an improved member directory, streamlined online forms and payment with an auto renewal option, plus an additional feature to help find parking spots. It's also fully responsive with mobile devices, making it easier to navigate on a wide range of web browsers and devices.

Looking back at 2021 for a moment, while the pandemic took over our world, the Chamber continued to send Chamber News e-newsletters with members news and local updates, revitalize its Instagram account, hold ribbon cutting ceremonies and member networking events, successfully hold the 1st Annual Oktoberfest Street Fair and launch a new website!

At this time, our membership renewal is underway and we hope you will show your support by renewing your membership online at www.pleasantvillechamber.com or if you prefer to renew by check, please complete the form on the reverse side and send with check payable to Pleasantville Chamber of Commerce and mail to Pleasantville COC, P.O. Box 94, Pleasantville, NY 10570 by February 28th.

2022 will hopefully see a return to better times. Thank you again for your commitment and partnership. Our organization is strong because of you. Together, we will meet this challenge, and ensure that we will get through this tough time and continue to thrive!

Sincerely,

A handwritten signature in black ink that reads 'Bill Flooks'.

Bill Flooks
